

Free Speech

A Guide for Demonstrations at UC Irvine

“Sharing information and ideas and raising awareness of important issues can be great assets to the university community.

Let’s contribute positively and promote a safe and fair educational environment for everyone.”

UC IRVINE'S COMMITMENT

UC Irvine is committed to assuring that all persons may exercise the constitutionally protected rights of free expression, speech and assembly.

The ongoing opportunity for the expression of a variety of viewpoints is at the core of this commitment. As campus members, it is imperative that we live up to the responsibilities that accompany these rights.

KEEP IN MIND

Participants may video or audio record an event that is open to the public as long as it is in compliance with the **UC Administrative Policies & Procedures Section 900-30**, Policy on Filming and Photography on the UC Irvine Campus.

WHEN PLANNING A DEMONSTRATION

Free Speech

Free speech as defined by the United States Constitution and the State of California Constitution does not give a public university the right to regulate speech in public forms. A public university must remain neutral in subject matter and viewpoint.

Rights of Free Speech and Academic Freedom at UC Irvine

The exercise and protection of freedom of speech and expression are at the core of UC Irvine's mission of teaching, research and public service. UCI actively attempts to engage the community to promote and model civil and respectful dialogue on campus.

Time, Place and Manner Regulations

Orderly behavior and the normal conduct of UC Irvine affairs shall govern time, place, and manner of exercising free speech and advocacy. Regard for the privacy of others shall be observed, and reasonable precautions shall be taken against practices which would make persons on campus involuntary audiences. Activities that are determined to pose a risk to personal safety, university property, or facility security will be rescheduled until such time that adequate and appropriate security can be made available, as determined by the UCI Police Department. Refer to *UCI Administrative Policies and Procedures Section 905*.

California Education Code

"...The Regents of the University of California ... shall [not] make or enforce any rule subjecting any student to disciplinary sanction solely on the basis of conduct that is speech or other communication that, when engaged in outside a campus..., is protected from governmental restriction" by the U.S. or California Constitutions. (*section 66301*)
